REDUCING EXPENSES.

Spokane, Wash., Nov. 2.—Commencing today the Northern Pacific cut the hours of labor in the shops in this city from twelve to eight hours per day, and the men will hereafter work but five days per week. This plan is in keeping with the policy of the northwestern roads to reduce expenses. Similar reductions have been made at Hillyard, on the Great Northern. All the roads operating in this section are reducing the number of employees.

that two prominent Démocrats were elected here before they were citizens of the United States.

The statement was made that George Lindsay, a former Democratic sheriff of this county, was not a citizen of the United States at the time of his imaguration as sherif. This story is absolutely untrue, as Mr. Lindsay had his naturalization papers in time to vote for the delegate to the constitutional convention, and this assembly was certainly held before January, 1837, when Mr. Lindsay was inaugurated.

The mouthyleee of the G. O. P. here also spoke of a man having been elected mayor of Park City by the Democrats who was not a citizen. Such a thing as th's never took place here. The gentleman of whom it speaks was elected mayor of Park City in the spring of 1886 on the Citizens likes.

Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years, is beginning to assert itself, and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps,

salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood and a tonic to build up the general system is what is needed, and S. S.
